**Subject:** RE: They have come and gone....

Oh, it BEYOND “worked”! Thank you so much for your assistance. And I’ll forever be grateful to Drew del Junco for his “above the call of duty” attention. My entire neighborhood is ever so grateful. Oh, how happy plowing can make us mere mortals! Neighbors are already knocking on my door expressing awe at what Drew accomplished for us. And now we wait for the first flakes....AGAIN....Good luck to all. Katy
